

This ring size guide was created to help you determine your ring size from the comfort of your own home.

Method 1 - Use a String

1. Get a string or ribbon.
2. Wrap it around your finger to a comfortable fit.
3. Measure the length of the string to get the circumference of your finger.
4. Use our table of measurements on the right to get the ring size.

Method 2 - Use the Ring Outlines

1. Get a ring that fits the finger you are shopping for.
2. Print this sheet at 100%.
3. Place the ring on top of the ring outlines provided below to get the ring size.
